HERRMAN TO **SUCCEED HURLEY**

Little Doubt of Local Candidate Being Made Major.

Capt. Stephen P. Cronan Led Capt. C. B. Wilson by Two Votes — Herrman a Happy Compromise.

At a caucus held at 3 o'clock yesterday afternoon at the local armory at which all the officers of the local militia were present except Major James J. Hurley whose resignation as major of the Coast Artillery took effect yesterday at noon, and who now has no vote, the officers present were unabl to unite upon either Captain Stephe P. Cronan or Captain Clifford B. Wil son for major. Capt. Cronan led Wil son six votes to four. In the end Cap tain Louis Herrmann was prevailed upon to accept the nomination, and he was made the unanimous choice of all the officers in the city. fact that the opinion of the Bridgeport officers was divided and that there were two candidates in the field, both on the retired list, it gave encourage-ment to other out of town candidates to run for the office of major. There fore in order to retain a major in this city it was deemed consistent to nomia local man who would secur enough out of town votes to elect him

Captain Louis Herrmann enlisted in Co. K. 4th Infantry, C. N. G., on June 29, 1897, and was promoted to second sergeant and then first sergeant during the same year. He was commissioned to second lieutenant July 18, 1899, and first lieutenant April 2, 1903, and cap-tain of Co. K, 3rd Infantry, Jan. 14

He was transferred to the 11th Co. Coast Artillery Dec. 14, 1907. During the Spanish-American war he served with distinction as sergeant of Battery B, 1st Reg. Conn. Vol. from May 19, 1898 till he was mustered out of the United States service Dec. 20, 1898. He is a strict disciplinarian, but has esteem of not only the men of his own teem of not only the men of his own company but also of all the officers in the state. He is an energetic student of military matters and his judgment on affairs pertaining to the service is beyond question.

As the officers in the eastern division of the corps have pledged themselves to whomsoever Bridgeport nominates it is more than likely that Captain Herr-mann will experience little opposition. There are also in the field for the nommation Captain Edward P. Weed, pay-master from Norwalk, Captain G. C. Smith, Corps Adjutant from Greenwich don and Captain John A. Hagberg of Norwich, both of whom outrank Cap-tain Herrmann in the lineal list of of-ficers of the corps by but a few days

in length of service.

It was thought before the meeting yesterday that in view of the strength yesterday that in view of the strength of Captain Cronan that Captain Wilson would withdraw in his favor as it was thought that Captain Cronan would draw a large number of votes from the other officers of the corps. While Captain Cronan served in the guard from Nov. 18, 1890 to Dec. 31, 1903, when he was retired, Co. K, 4th Infanry, C. N. G., previous to his appointment as captain was in great financial stress, but through his able manpointment as captain was in great fin-ancial stress, but through his able managament it was not only able to remov the debt, but upon his retirement there was several hundred dollars left in the treasury. This task alone stamped him as a man of executiveability. While Captain Cronan would undoubtedly have developed sufficient strength with the out of town officers to elect him as major, the officers in caucus yesterday afternoon upon the instigation of Can tain Cronan himself, decided that should Captain Herrmann accept the nomination he would be the better man to run owing to the fact that he represents the unanimous choice of both factions, and this fact alone would undoubtedly have great weight in deciding the final issue.

In the corps eligible to vote are 52 officers, of which 10 are in Bridgeport. A majority carries the election which has been ordered to take place at the local armory Wednesday afternoon at 2:45 o'clock in the parlors of the 14th Co. The armory will present a gala appearance on that occasion as all the officers have been ordered to appear in
